مقدمة عن بول ونانسي لاب

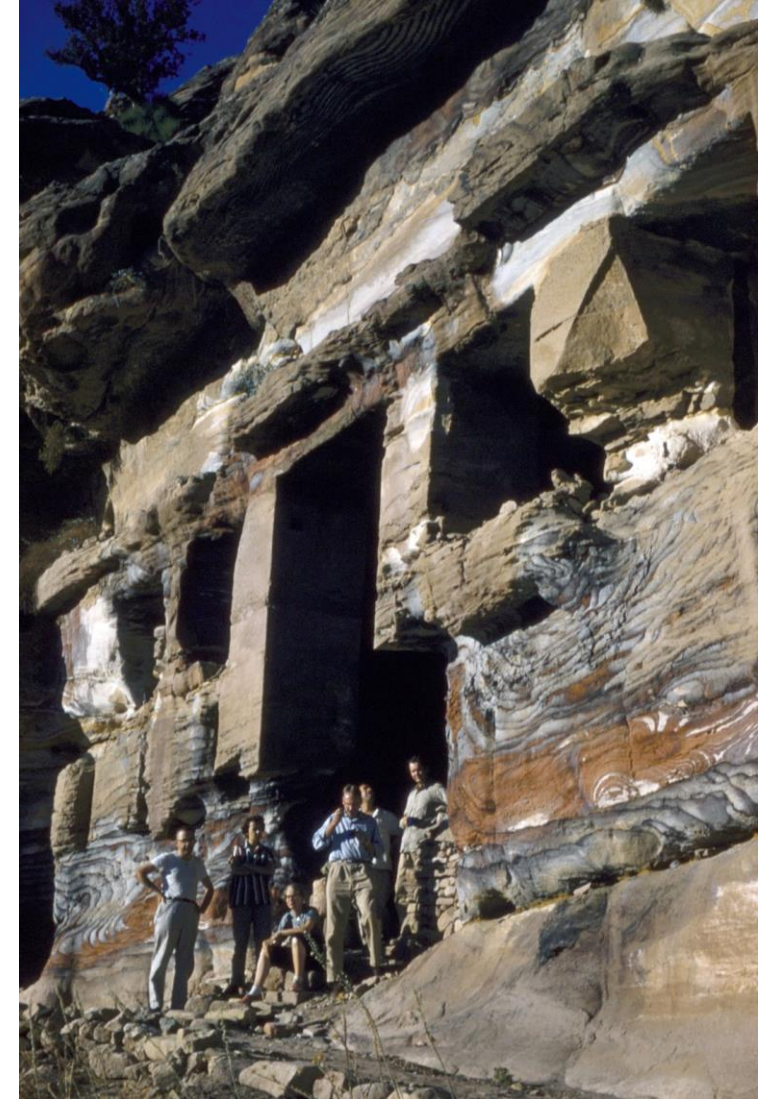

نقب بول لأول مرة في تل بلاطة في عام 1957.
كما أنه كان مدير (ASOR) أولبرايت حاليا من العام 1960 وحتى 1965،
خلال هذه السنوات تنقل في جميع أنحاء المنطقة.

Nancy Lapp sorting pottery at Iraq al-Amir,
1961-62.

Paul Lapp with local workers at Iraq al-Amir, 1961-62.

Nancy and Paul Lapp camping in Petra, 1957.

مقدمة عن بول ونانسي لاب

Aerial view of Bab edh-Dhra Cemetery A, 1975.

Early Bronze Age I tomb complex at Feifa, 1989.

- بدأ بول العديد من الحفريات بما في ذلك باب الذراع، توسعت الحملة بعد ذلك اتصبح مشروع سهول البحر الميت
- لكن للأسف توفي بول في عام 1970، ومنذ ذلك الوقت كرست نانسي نفسها لنشر جميع مواد تنقيبها.

مقدمة عن بول ونانسي لآب

منذ عام 1970 ، عملت نانسي في مدرسة بيتسبرج

Tomb group from F1 at Bab edh-Dhra on display at the Kelso Museum, including a photo of the objects in situ, 1984.

التنظيم

- تتكون المجموعة من حوالي 3000 شريحة بحجم 35 ملم، حيث نظمتها نانسي حسب الموقع، وقدمت البيانات لكل صورة تقريبا.
- هذا التنظيم منطقي بالنسبة لأرشيفنا (الأرشيف الخاص بأكور)
- أيضا، من ضمن المجموعة مجلدين ممتلئين بصور باب الذراع بشكل كامل.

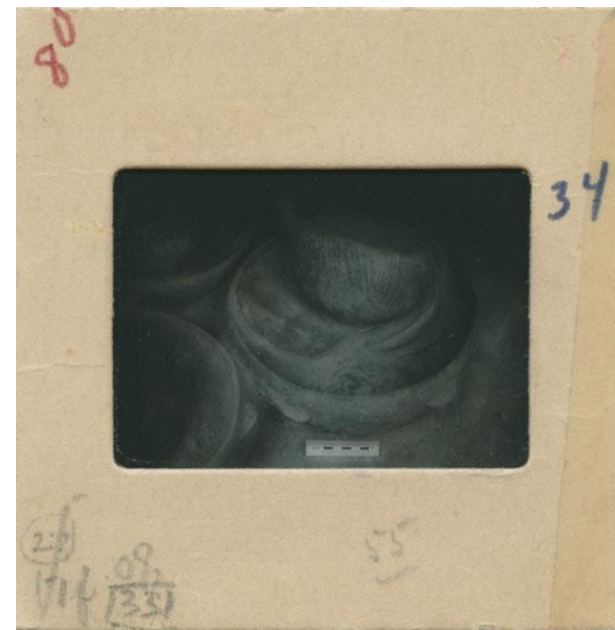

127 slides

- Introduced by Kodak 1912, was especially popular from 1950s-60s/70s
- 40x40mm square film
- Scan at 2600 dpi
- Problem: remounting

127 slide from Paul and Nancy Lapp collection, 1961-62

Standard 35mm slide for comparison

تضمنت مجموعة نانسي بيانات وصفية لكل صورة تقريبا، لكن اكبر مشكلة واجهتنا هي تهجئة الاسماء .

حيث لا زلنا نتحقق من معظم الشرائح

قضايا حقوق النشر / Copyright Issues

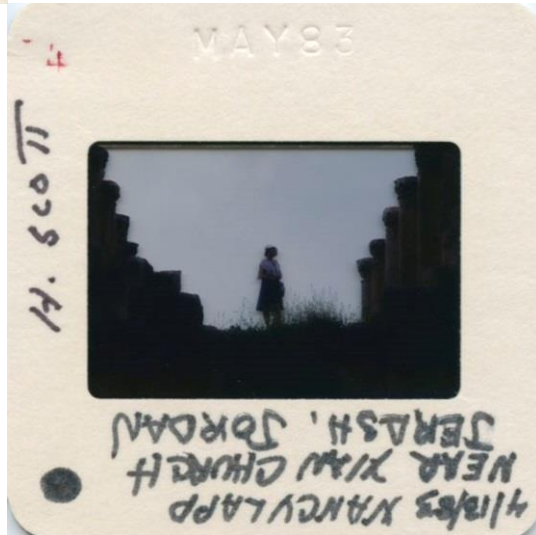

تحتوي مجموعة نانسي أيضا على العديد من الصور التي
تم التقاطها من قبل اشخاص اخرين، حيث أكدت لنا انه
يمكن ان نقوم باستخدامها بحرية؛ لكننا لازلنا نحتاج الى
شيء ملزم أكثر من ذلك.

Michael Finnegan

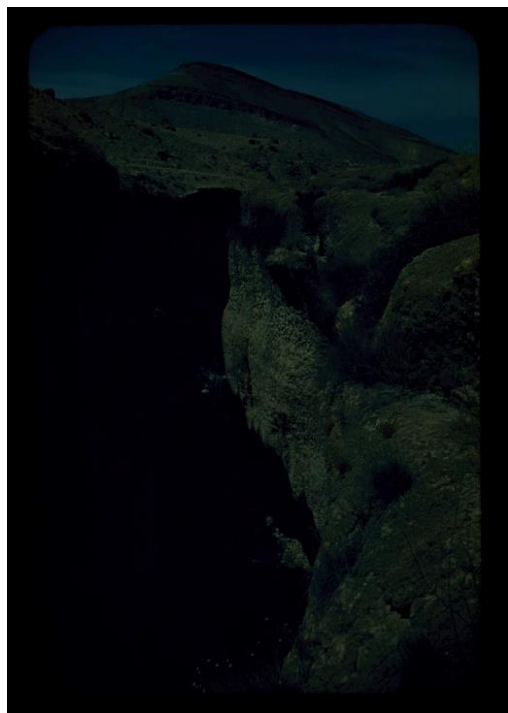

Two slides showing others' names
written and stamped on them

Digitization

- Collection spans from 1957-2002
- Oldest slides turned very dark- difficult to brighten while keeping colors
- Some slides with color degradation
- Some slides loose in their mounts, makes cleaning more difficult
 - Some needed remounting entirely

Before and after photoshopping an image of Wadi Hesi from 1957- with brightening, and a bit of color moderation

ما الفائدة من هذه الصور؟
**What is the point of digitizing these
photographs?**

- Sites then and now
- Some show excavation techniques
